U-LINE® CORPORATION

COMBO ICE MAKER/REFRIGERATOR
MODEL CO2175FF

Échelon Series

Capacity: 4.2 cubic feet of refrigeration; up to 8 lbs daily ice production; 13 lbs ice storage
Defrost Type: Frost-free
Colors: Stainless Steel, Black, White

Features & Benefits

Feature	Benefit
Ice making and refrigeration in one unit	Provides both ice production and refrigeration in one compact unit
No drain required	• Easy and inexpensive to install • Only requires a 1/4" outside diameter water line
Conserves on water	Uses under 3 gallons of water to product 22 lbs of ice
Touch Control Digital Technology	• Full-featured, easy-view command center - right at your fingertips • Easy to set and see the refrigerator temperature • Easily turns the ice maker "off" while the refrigerator continues to function • Manages key model functions and provides user alerts
Open door alarm	Audible alert when door is left open
Optional 3/4" full overlay door panel	• Provides a fully integrated appearance with surrounding décor while maintaining zero door clearance • Easy to install • Black and white models only • Must order kit number U-OL2175
Standard door will accept a 1/4" panel	• Ability to match surrounding décor and cabinets • Black and white models only
Built-in or freestanding	• Provides custom look • No additional clearance around sides, top or rear for ventilation. **Do not obstruct front grille.**
Stainless steel model	• Offers a full wrap stainless door and cabinet, along with a curved, sculpted stainless door handle and a stainless-like grille • Must order right- or left-hand hinged
Three fully encapsulated, curved glass shelves	Contains spills while providing an upscale appearance. Easy to clean.
Two contoured, adjustable in-door storage shelves	Easy access, flexible storage
Self-closing door	• Engages when the door is open 8-10" • Ensures a positive door seat and prevents bounce-back
Field-reversible doors	• Flexible installation options - can fit any location with easy access • Black and white models only
Integrated handle	• Sleek designer look that does not add depth to the cabinet when built in • Black and white models only
Vinyl-clad cabinets	• Textured, rich look. More resistant to scratching, peeling and flaking. • Cabinet extends to the floor • Black and white models only
Recessed interior light	• Automatically illuminates when door is opened • Does not interfere with product access or storage
Leveling legs	• Achieve a more precise undercounter fit • Durable, strong legs will not bend when unit is installed
Sabbath or "Black Out" mode	• Easily turns off all lights and control displays • Automatically resets after 36 hours
Contemporary grille design	Integrates seamlessly into surrounding cabinetry
Outdoor use	The stainless model is deemed suitable for outdoor use by UL.
